

2008 “Lowen Park Unwooded Chardonnay

Regional Appellation	Rockbank, Victoria. Australia (Sunbury G.I.)
Grape Varieties	100% Chardonnay from our Rockbank Vineyard
Maturation	None
Alcohol	14 %
Cellaring Potential	Up to 2 years
Growing Season	A good growing season produced good quality, average yields. The vine canopy was managed so as to ensure shading of the fruit preventing sunburn and preserving the delicate varietal characters.
Winemaking	The crushed grapes were drained and pressed to stainless steel tanks and the juice was cold settled. The clarified juice was then cold fermented using a selected pure yeast strain. Early bottling of this wine has ensured the retention of freshness and varietal aroma.
ASSESSMENT	
Colour	Pale Straw.
Nose	An elegant bouquet of peach and melon.
Palate	This wine is primarily unwooded, full bodied on the palate with good length of flavour and a crisp finish.
