

**Leconfield
Coonawarra Cabernet
Sauvignon 2007 ★★★**
Oak influence obvious
on nose and palate.
Some minty aromas and
flavoursome palate. Fine
tannins. \$30.95

**Tamburlaine
Members Reserve
Orange Cabernet
Sauvignon 2007 ★★★**
Slightly closed, inky
fruit nose with a
concentrated and quite
acidic palate. Will keep
well. \$32

**Mills Reef Elspeth
Gimblett Gravels
Hawkes Bay Cabernet
Sauvignon 2007 ★★★**
Delicate and subtle green
cabernet nose, leading to
a lean, green varietal fruit
palate. \$39.95 (NZ)

**Forester Estate
Margaret River
Cabernet Sauvignon
2007 ★★★**
Well-balanced, nicely
evolving wine that's
soft in the mouth, with
lingering sweetness. A
good drink. \$33

**Barwick Estates
The Collectables
Blackwood Valley

Vibrant spicy/minty nose

layered with fresh spicy/
mint varietal notes. \$34.95

Maturing chocolaty nose
layered with licorice and
dark berry fruits, then
a very tannic and porty
palate. \$35

Rich chocolate aromas
and solid, concentrated
palate. Unusual style

"The '06s are holding up
well," said the judges,
but are ready to drink
now, with the '05s still
in the game! Some had
high acid characters
with unbalanced tannins
and fruit sweetness.
The best showed good
concentration and balance.

**Brangayne of Orange
Cabernet Sauvignon
2006 ★★★★★**
Very appealing and
generous style of
cabernet, with plenty
of varietal punch and
substance. Great palate
structure, with wonderful
layers of black fruits and
oak flavours. "A serious
red," said one judge. \$35

**Witchmount
Cabernet Sauvignon
2006 ★★★★★1/2**
Attractive evolving
aromas with hints of
green beans and vanillin
oak. Has sweet flavours
and some astringency
but is balanced and
should develop well over
the next few years. \$33
